

ENVIRONMENTAL HEALTH AND SAFETY POLICY

Scope: We design, develop, manufacture, and distribute Blood Glucose Monitoring Devices, Glucose Data Management Systems, and Ketone Test Strips, at our Fort Lauderdale, FL operations.

Trividia Health Inc. (THI) is committed to minimizing impact on the environment through our policies, practices and performance. We recognize our responsibility to our communities, the environment, and to the health and safety of our THI family, including temporary workers and contractors.

In accordance with this policy, THI's Top Leadership will enable and enforce full compliance with all Environmental Health and Safety (EHS) laws that relate to the Company and manage all phases of its business in a manner that protects the environment, throughout the products' life cycles.

THI is committed to the following:

1. Ensuring compliance with federal, state, and local laws.
2. Minimizing waste by continuously evaluating operations and ensuring they are as efficient as possible.
3. Establishing a Change Management process to sustain the EHS Framework.
4. Measuring impact on the environment and setting targets for ongoing improvement
5. Actively supporting and enforcing our EHS commitments.
6. Promoting recycling both internally and amongst our customers and suppliers, to reduce our carbon footprint.

Accountability for Relevant Parties:

Supply Chain: Our relationships with suppliers are based on lawful, efficient and fair practices. We expect our suppliers to obey the laws that require them to treat workers fairly, provide a safe and healthy work environment, and protect environmental quality.

Contractors: Procedures are established to ensure our contractors acknowledge our environmental, health, and safety responsibilities and requirements. THI will continually measure its impact on the environment for improvement of the system.

Employees and Contractors: Our personnel are accountable for adhering to all laws and standards applicable to this EHS policy, and to promptly report any concerns about unsafe conditions, activities or policy violations.
